### MINDHORN (15)\*

Sat 27th, Mon 29th & Thurs 1st June

Dir: Sean Foley | UK | 2016 | 89 mins  
Cast: Julian Barratt, Essie Davis

The Mighty Boosh's Julian Barratt stars in the cultish, off-the-wall Mindhorn, recalling classic comedy creations from Alan Partridge to David Brent. Washed-up Richard Thorncroft (star of 1980s detective show Mindhorn) must return to the Isle of Man, site of his former glories when a deranged criminal demands his presence. A loving send-up of British detective shows with terrific support from Steve Coogan and Andrea Riseborough.

### MAD TO BE NORMAL (15)

Sun 28th May & Thurs 1st June (Thurs Elevenses)

Dir: Robert Mullan | UK | 2017 | 105 mins  
Cast: David Tennant, Elisabeth Moss, Michael Gambon, Gabriel Byrne

David Tennant gives a masterful, mercurial performance in Robert Mullan's (Letters to Soffia, Gittel) absorbing portrayal of radical psychiatrist and writer R. D. Laing, who became a '60s counterculture hero for his revolutionary 'anti-psychiatry' experiments. With excellent support from Elisabeth Moss, Gabriel Byrne and Michael Gambon, the film mirrors Laing's departure from convention, exploring scenes from a life in freewheeling fashion.

### BEAUTY & THE BEAST (PG)

Mon 29th & Tues 30th May

Dir: Bill Condon | USA | 2017 | 129 mins  
Cast: Emma Watson, Dan Stevens, Luke Evans, Ewan McGregor, Ian McKellen, Emma Thompson

Emma Watson is brilliantly cast as Belle in Bill Condon's gorgeous, sweeping live action remake of Disney's classic. A young prince (Dan Stevens), imprisoned in the form of a terrifying beast, can be freed only by true love. What may be his only opportunity arrives when Belle arrives in his enchanted castle.

### ONE FLEW OVER THE CUCKOO'S NEST (15)

Tues 30th May

Dir: Miloš Forman | USA | 1975 | 134 mins  
Cast: Jack Nicholson, Louise Fletcher, William Redfield, Brad Dourif, Danny De Vito

Jack Nicholson gives an unforgettable performance in Miloš Forman's searing, multi-Oscar winning tragicomic 1975 adaptation of Ken Kesey's novel, often hailed one of the best films ever made. He plays recidivist criminal Randle McMurphy, who mimics mental illness to get himself moved from prison to psychiatric hospital - but hasn't bargained on the rigid structure imposed by Nurse Ratched (Louise Fletcher).

At the dawn of the 20th century, Percy Fawcett (Hunnam) journeys into the rainforest where he discovers evidence of a previously unknown civilisation. African-American Chris (Daniel Kaluuya) goes with his white girlfriend Rose (Allison Williams) to visit her parents. At first, he reads their odd behaviour as a nervous attempt to deal with their daughter's interracial relationship – but as time goes on, a series of increasingly disturbing events lead him to a truth that he never could have imagined.
